EDUCATION

University of California, Santa Barbara | The Robert Mehrabian College of Engineering

June 2027

B.S. Computer Science, Software Engineering Track | GPA: 3.63

- **Minors:** Science & Mathematics Education (Community Based Literacy Endorsement); Technology Management Certificate
- **Relevant Coursework:** Advanced Applications Programming, Database Systems, Mobile App Development, Data Structures & Algorithms, Machine Learning, Computer Vision; Senior Capstone Project (Fall 2026–Winter 2027)
- **Honors:** Regents Scholar, Engineering Honors, Dean's Honor

PROFESSIONAL SKILLS

Languages: C++, Python, JavaScript, HTML/CSS, SQL

AI/Data Tools: Claude Code, Cursor, OpenAI API

Frameworks/Tools: React, React Native, Flutter, Node.js, FastAPI, Supabase, OpenAI API, Git/GitHub, Webflow, Figma, Cypress

Project Management: Agile/Scrum, Sprint Planning, Documentation & Reporting, Notion, Smartsheet, ClickUp, Jira

RELEVANT EXPERIENCE

Caliber Research Group, UCSB | Santa Barbara, CA

June 2026 – Present

Software Developer (Advised by Prof. Diba Mirza)

- Building a project-management ticket tracker to coordinate a 20+ person team across 5 concurrent Caliber projects, covering ticket assignment, self-claiming, and status/deadline history; launching in the coming weeks
- Redesigned the LeetCode Autograder's student submission flow, restructuring a 6-step grading pipeline into clear pass/fail breakdowns ahead of fall 2026 launch in UCSB's CS8 and CS24 (250+ students/quarter)
- Contributed to platform work published at ACM ITiCSE '26 (Innovation and Technology in Computer Science Education)

SciTrek | Santa Barbara, CA

Feb 2026 – Present

Lead Developer & Maintainer

- Sole maintainer of a volunteer-scheduling platform (FastAPI, PostgreSQL, Celery/Redis, React, Vite), inherited from graduating developers and built to replace SignUpGenius for SciTrek's K-12 outreach program
- Seeded a full quarter of realistic volunteer/school data to demo admin and organizer workflows for non-technical program coordinators ahead of a program-wide launch

UCSB Distribution & Logistics Services | Santa Barbara, CA

Jun 2024 – Present

Team Lead, Surplus Sales Program

- Led the FM Yard Moving Sale x Surplus Sales project: diverted 85 tons of waste and generated \$234K in revenue across 260+ sales (75% first-time buyers); won 2025 Sustainability Award (ULSCA/ARCUMS)
- Built Smartsheet automation and KPI dashboards to support data-driven sustainability operations

Reverge Studios | Marina Del Rey, CA

Jun 2022 – Aug 2022

Technical Project Management Intern

- Standardized ClickUp documentation across 4 project spaces (Management Tasks, C5T, Learning Lab, Knowledge Home), including a bug/feature reporting procedure adopted team-wide
- Built Cypress test coverage for POST/DELETE API endpoints across multiple data models, and researched/modified existing frequency-scoring test logic to support evolving QA needs

PROJECTS

KIT: Kitchen Inventory Tracking

Jan 2026 – March 2026

Cross-platform app that scans receipts and tracks inventory to cut food waste/reduce meal-planning mental load

- Built a cross-platform app with a 7-person team (62 commits, #3 by volume) featuring OCR receipt scanning, barcode lookup, and recipe suggestions
- Owned the home dashboard and environmental-impact scoring, powering expiration alerts and recipe matching to cut food waste

UCSB Project Dining

Sept 2025 – Dec 2025

Live tracking and rating app for meals at UCSB dining commons

- Led a 6-person team extending an inherited legacy dining-menu web app; ran biweekly retros, standups, and code reviews
- Introduced a same-day PR-review norm, eliminating backlogs and delivering 100% of committed work on schedule

LEADERSHIP EXPERIENCE

Taiwanese American Student Association

Sep 2023 – Present

Internal Vice President, prev. Recruitment Chair, Events Chair, Intern

- Oversee ~25 staff and 10–12 interns; own the intern pipeline end-to-end (applications, interviews, selection) and run staff ops (feedback surveys, 1:1 check-ins, recognition, annual staff retreat)
- As Recruitment Chair, built a mentorship program matching 150+ members; as Events Chair, planned 100+ attendee campus events end-to-end (vendor coordination, budget management)
